

KETTERING SAFETY VILLAGE 2017

Kettering Safety Village is a week-long transportation and life-safety program sponsored by the **Dor-Wood Optimist Club**.

The **City of Kettering's Engineering Department Safety Section** in collaboration with **Kettering City Schools** is proud to operate this Program, designed to teach our youngest citizens how to be safe.

Safety Village instructors are joined by Kettering police, fire and school personnel to provide age-appropriate classroom instruction on a variety of safety topics to participants. Children get to practice and reinforce what they've learned at our indoor Safety Village, with child-size replicas of streets, intersections and buildings. Children also participate in a variety of additional activities, including a ride on a Kettering school bus and a "Safe Walk" in a neighborhood. Through classroom instruction and fun and exciting hands-on experience, young children will begin to develop safe habits for a lifetime.

Kettering Safety Village is **FREE** for children who are registering for Kindergarten in August, 2017.

Sessions will be held June 12- July 28 at J.E. Prass Elementary School

Students enrolled in any elementary school within the City of Kettering who complete Kettering Safety Village will receive a FREE kindergarten supply starter kit.

Safety Village students attend five weekday morning classes for 2 hours a day.

Children must be able to use the restroom without help.
No snacks/drinks are provided, but there will be water and restroom breaks.

Registration is first come, first served.
Class size limited to 24 students per session
Sessions will be closed when filled or if minimum class size is not met.

Registration begins on March 6, 2017
